

PA-LAC PLANS ANNUAL VISIT TO HARRISBURG TO MEET WITH LEGISLATORS, VOLUNTEER PARTICIPANTS NEEDED

The Pennsylvania Legislative Action Committee (PA-LAC) is planning its PA-LAC Capital Day for Wednesday, April 2, 2014 in Harrisburg, Pennsylvania.

This important annual event provides CAI and PA-LAC an opportunity to meet with state legislators to talk about pending legislation and to discuss issues important to the community association industry.

PA-LAC and its government relations professional Duane Morris Government Strategies is currently seeking additional volunteers from within the CAI community to join them in Harrisburg to speak with their state legislators. Volunteers will be provided with talking points and information to help guide them through meetings. The more participation from volunteers, the greater the potential reach and impact these important meetings can have for CAI and PA-LAC.

For more information or to volunteer to participate in PA-LAC Capital Day, please contact the CAI chapter office by phone at: 610.783.1315 or by e-mail at: info@cai-padelval.org.

The Pennsylvania Legislative Action Committee (PA-LAC) has been successful over the last several years in fending off Bills before the legislature in Harrisburg that would be harmful to the community associations industry in Pennsylvania.

Now, PA-LAC is in a full court press to come up with common sense, workable solutions to issues facing community associations including pursuing a remedy to address the unfair practice of community associations paying twice for municipal services.

We're addressing the issues.
